

Volunteer Opportunities

You can make a difference in the education of our students! Cowern has volunteer opportunities available at many different levels—weekly, daily, even sporadically— it all benefits our students. (If one parent of each student volunteered only one hour of their time per year, approximately 400 volunteer hours would accumulate.)

Below is a list of volunteer opportunities available at Cowern. Please review, check any opportunities that interest you, then return form to your child's teacher.

If you have any questions, please feel free to call. THANK YOU!
